

**Bringing Montessori Home:  
Week 3**

**In our Distance Learning portal, we have created schedules, lesson plans, companion materials, videos and ideas for our students to continue activities from class and treat their home environment as an extension of their school environment.**

**Below you will find additional information and suggestions to help ease your transition to bringing Montessori home.**

10 Ways  
to Practice  
Positive Discipline  
at Home!

Connect with Montessorian's around the world!

[The Montessori Notebook Podcast](#)

is a place for deep conversations with families around the world to be inspired how we can bring Montessori into our daily lives.

Watch  
Montessori  
101!

With some essential information about the developmental needs of your child, a few simple tweaks to your home and schedule, and a dash of confidence, you can get through an extended school closure and come out the other side stronger and happier than ever!

Survival Guide*

thriving in an era of  
extended school  
closures

Trillium Montessori

Read to your child for 10-20 minutes a day, or better yet have them read to you if possible!

Print out the Reading Log from our [Distance Learning page](#) to keep track of all of the books you complete each day.

Kids who learn basic math concepts before kindergarten have a better shot at future mathematics success. [Try these fun ideas at home to help your child learn about math.](#)

Local mom & artist,  
Sarah Reeve,  
created this coloring sheet  
for children in Hoboken  
to color and post in windows  
across the City. Her idea is  
to create a positive message for  
our kids, and demonstrate  
that we'll get through this  
together!
