

Primary Practical Life Summer Menu

Instructions: Print this menu. Allow your child to choose 1 activity per day and have them color in the box once completed. Have fun!

<p>Transfer Liquids</p> <p>Get two empty glasses, fill one glass up with water (you can use food coloring to change the color) and find a baster.</p> <p>Have fun transferring the water back and forth between the two glasses</p>	<p>Care of the Environment</p> <p>Water your plants at home. Are they leaves dirty? Try cleaning them!</p>	<p>Food Preparation</p> <p>Make a Watermelon & Cheese Stick Butterfly</p> <p>Click Here</p>	<p>Care of Self</p> <p>Be aware of the sun and protect your skin! Apply sunscreen on your arms, legs & face. Careful around your eyes!</p>
<p>Care of Environment</p> <p>Create your own Practical Life Lesson. I'll give you a hint: spooning, pouring, tonging... the possibilities are endless!</p>	<p>Glasses Cleaning</p>  <p>clean a pair of glasses using a small spray bottle of water/cleaner, and a soft cloth. You can try this on sunglasses.</p>	<p>Transfer Objects</p> <p>You need two bowls, small objects, and a tweezer or tong. Have fun transferring your objects back and forth.</p>	<p>Grace & Courtesy</p> <p>Invite your family to a picnic! Please put in a basket a big blanket, water bottles, sandwiches, apples and water.</p>
<p>Setting the Table</p>  <p>Learn how to set the table. Parents, demonstrate how to lay out a plate, fork, knife, spoon, glass, and napkin. Invite the child to try and practice.</p>	<p>Scrubbing</p> <p>Find a stone or shell and put it in a bin full of lukewarm water. Get a toothbrush and put a little bit of liquid soap on it. Start scrubbing. Use a towel when you are done to dry up your stone or shell.</p>	<p>Care of self</p> <p>Put your clothes out an evening before you go to bed. So when you get up in the morning you have it ready. Check the weather forecast before you choose your clothes :)</p>	<p>Transfer Dry Ingredients</p> <p>Create your own Transfer Lesson. I'll give you a hint.</p> <p>Click Here</p>
<p>Stacking</p> <p>For this activity you need: straws, rigatoni pasta and play-doh. Look at the link for the steps :)</p> <p>Click Here</p>	<p>Food Preparation</p> <p>Make a smoothie for your whole family. Here is a Banana Strawberry smoothie.</p> <p>Click Here</p>	<p>Make your own bubbles</p> <p>How to make homemade bubbles!</p> <p>Click Here</p>	<p>Wet Transfer</p> <p>You need: a funnel, a water bottle and a pitcher.</p> <p>Action: Fill the pitcher full of water. Use the funnel to fill up the water bottle.</p>

<p>Window Washing</p>  <p>Window Washing is an engaging activity that can be explored both <i>inside and outside</i>. We use a vinegar-based solution with children to ensure their safety.</p>	<p>Care of the Environment</p> <p>Help build and fix things needed around the house.</p>	<p>Care of Self</p> <p>Learn how to fold a T-shirt. Ask one of your family members to give you a lesson.</p>	<p>Food Preparation</p> <p>Make a frozen banana yogurt pop</p> <p><u>Click Here</u></p>
